

European Treaty Series - No. 68

EUROPEAN AGREEMENT ON AU PAIR PLACEMENT

Strasbourg, 24.XI.1969

The member States of the Council of Europe, signatory hereto,

Considering that the aim of the Council of Europe is to achieve greater unity between its members, in particular for the purpose of facilitating their social progress;

Noting that in Europe more and more young persons, especially girls, are going abroad to be placed "au pair";

Considering that, without wishing to make any critical assessment of this widespread practice, it is advisable to define and standardise, in all member States, the conditions governing such "au pair" placement;

Considering that "au pair" placement constitutes in member States an important social problem with legal, moral, cultural and economic implications, which transcends national boundaries and thereby takes on a European complexion;

Considering that persons placed "au pair" belong neither to the student category nor to the worker category but to a special category which has features of both, and that therefore it is useful to make appropriate arrangements for them;

Acknowledging more particularly the need to give persons placed "au pair" adequate social protection inspired by the principles laid down in the European Social Charter;

Considering that many of these persons are minors deprived for a long period of the support of their families, and that as such they should receive special protection relating to the material or moral conditions found in the receiving country;

Considering that only the public authorities can fully ensure and supervise the implementation of these principles;

Being convinced of the need for such co-ordination within the framework of the Council of Europe,

Have agreed as follows:
